Sprints schedule:

Schedule	Events
By Wed 28.2.2018. By Thu 1.3. – Thu 8.3. By Tue 6.3.2018.	-Set up and Role assigned. -1st Sprint (registration). -In 1 st sprint we managed to make a splash screen, registration view and login view doing all the required analysis, sketching, design, android implementation and connecting the views with firebase to store and retrieve data.
By Sat 10.3. 2018.	-We have meet to review sprint 1 once to know what we have finished and what to be continued so we can continue working and start in sprint 2.
By Mon 12.3. – Mon 26.3. By Wed 24.3.2018	-2nd Sprint (home page and profile view). -In 2 nd sprint our main goal is to do the home page and the user profile view by doing analysis, sketching, designing and android implementation. -Connecting android implementation with the firebase to store and retrieve only for user profile view. -So far in the home page view when you click its buttons these buttons lead you to empty views that will be finished in the coming sprints.

By Sun 1.4.2018.	-Sprint review meeting for Sprint2 -We have meet to know what was been done in sprint2 what's not and why, also we have changed to sprint schedule.
By Tue 3.4. – Wed 18.4. By Mon 16.4.2018.	-3rd Sprint (normal person). - Reserved sprint review meeting for Sprint2.
By Thu 19.4.2018 By Fri 20.4. – Mon 30.4. By Sat 28.4.2018	- Sprint review meeting for Sprint3. - 4th Sprint(patients). - Reserved sprint review meeting for Sprint2.
